Request to Reserve Resource Booth

The Texas Judicial Commission on Mental Health (JCMH) will host its 7th Annual Judicial Summit on Mental Health November 21-22, 2024, at the Marriott Dallas Allen Convention Center & Hotel in Allen, Texas. The Summit will be presented live and virtually, and more than 400 in-person attendees are anticipated.

This year, JCMH is bringing back [Resource Booths](#) at the Summit!

These booths will feature non-profit, state, and community organizations that work to help people and communities at the intersection of mental health, IDD, and the justice system in Texas.

A designated area will be set up with tables, each designated for an organization to display information, materials, or other resources beneficial to Summit stakeholders. Organizations are welcome to have representatives at their table to discuss the mental health resources that they offer.

This is the time for your organization to network statewide with judges, attorneys, and other stakeholders and show how your organization can best serve people and the community at the intersection of mental health, IDD, and the justice system. Bring your fresh ideas and contact information!

JCMH is now accepting requests for non-profit organizations to set up a Resource Table. These tables are offered free of charge.

JCMH Summit Selection Requirements:

- Must be a non-profit, community, or government organization.
- Must work with, or endeavor to work with, clients at the intersection of Mental Health, IDD, and the justice system.
